398	Technical Communications Internship

---

Reason Codes:

C1 - course is cross-listed in one or more Letters and Science Timetable subject listing; equivalent to liberal arts and science course.

C2 - course is an Advanced (A) level independent research and reading course. Individual instruction pursued at this level considered inherently appropriate to study in the liberal arts and sciences.

C3 - course was previously reviewed and found to satisfy Letters and Science degree requirements as "C" course.
